Rajiv Gandhi Institute Of Technology

Our vision is to be a global leader in technological education and research

About us..

Rajiv Gandhi Institute of Technology, named after the late Prime Minister Sri Rajiv Gandhi, run by the Government of Kerala, started functioning in 1991. It has established a vast infrastructure and put together a team of dedicated teachers. The institution has become one of the leading technical Institutes in Kerala. The government has started this institution in the view of making it a center for post graduation and research studies. The college is affiliated to the APJ ABDUL KALAM TECHNOLOGICAL UNIVERSITY. RIT, the sanctum of technology aims at providing high quality education for talented students from all sections of the society. Owned and managed by the Government of Kerala, it has a highly qualified and dedicated faculty. More than providing technical education RIT aims at the overall development of each and every RITian. The college provides a positive environment for the students to develop their potentials and to excel in all walks of life

Courses offered..

All courses offered by RIT are affiliated to KERALA TECHNICAL UNIVERSITY and approved by the All India Council for Technical Education (AICTE). The B. Tech programmes are of 8 semester (4 year) duration. The combined first and second semester courses are common for all branches. The B. Arch programme is of 10 semester (5 year) duration. The M. Tech programmes are of 4 semester (2 year) duration, and the MCA programme is of 6 semester (3 year) duration

CSS Selectors

An Element Selector is used to apply styles to all instances of a specific HTML tag.

An ID Selector targets a single, unique element on webpage, identified by a specific id attribute.

A Class Selector is used to apply styles to multiple elements that share same class attribute.

This heading and the heading below are styled using grouping selector.

The Grouping Selector allows to apply the same styles to multiple elements.

The Universal Selector is used to select and apply styles to all elements on a webpage.
